Dedication

MRS. SANDRA TIDWELL

The senior class of Lowes High School wishes to dedicate the 1978 Blue Devil to Mrs. Sandra Tidwell. You not only were a senior sponsor and a teacher to us, but you inspired and helped us put out this 1978 annual. We wish to show our appreciation for all you've done by dedicating this annual to you.

TO THE PARENTS OF THE '78 GRADUATES

Moms and Dads, we could never show all of our love and appreciation on just this one page. However, we hope that you will get a hint of what we are trying to say.

We have traveled on a long road
And finally come to the end,
But we could not have done it,
Without you as our friend.

Words could never tell how much we love you.
We really want you to know we care.
We realize how much you have been through,
And all the problems you have helped us share.

We know you will always be there by our side.
But now we must go our separate ways.
And as we open each new door to life,
We will still have memories of yesterday.

WE LOVE YOU, MOMS AND DADS

TO THE CLASS OF "78"

May I take this opportunity to congratulate you on a job well done, both in your studies and extracurricular activities. It is my desire that the qualities of leadership, cooperation, initiative, and hard work will go with you after graduation and that each of you will make a successful and useful citizen in this democracy.

Editors

We, the editors of the 1978 *BLUE DEVIL*, would like to say it has been a great honor for us to put together an annual that will bring back memories we have shared at Lowes.

We would like to thank everyone for their cooperation and understanding. A special thanks to Ms. Jackson and the journalism class who devoted much time and effort to the composition of this annual.

To the seniors of '78 we hope this annual will be one each of you will be proud of and cherish always.

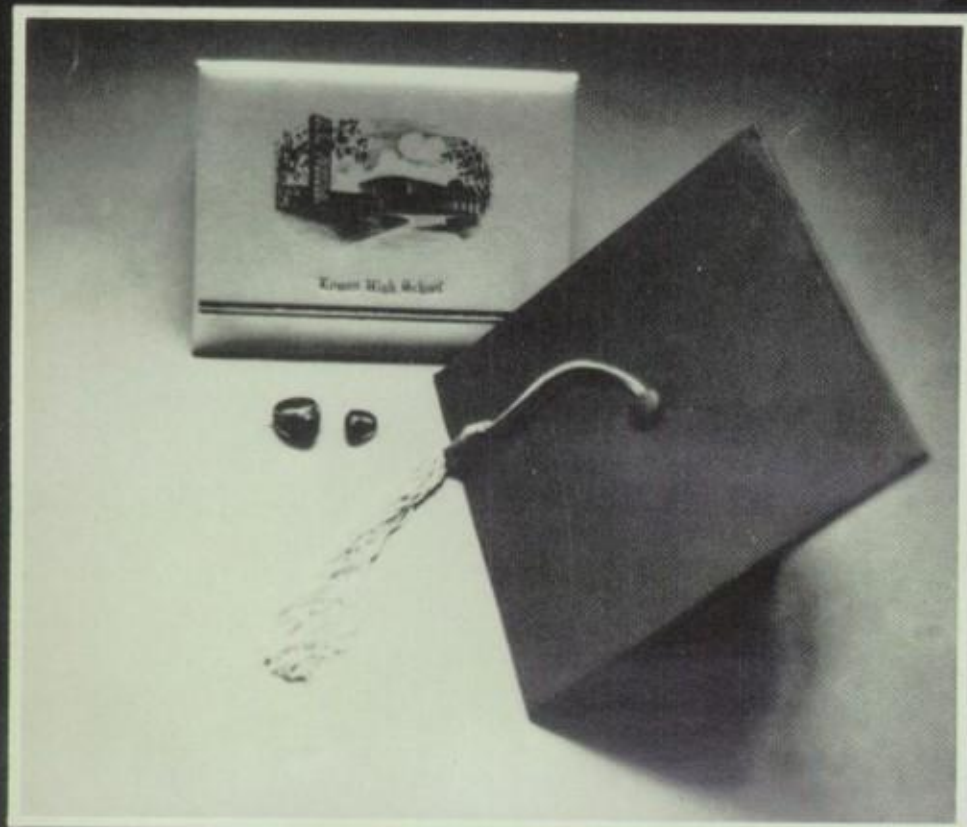

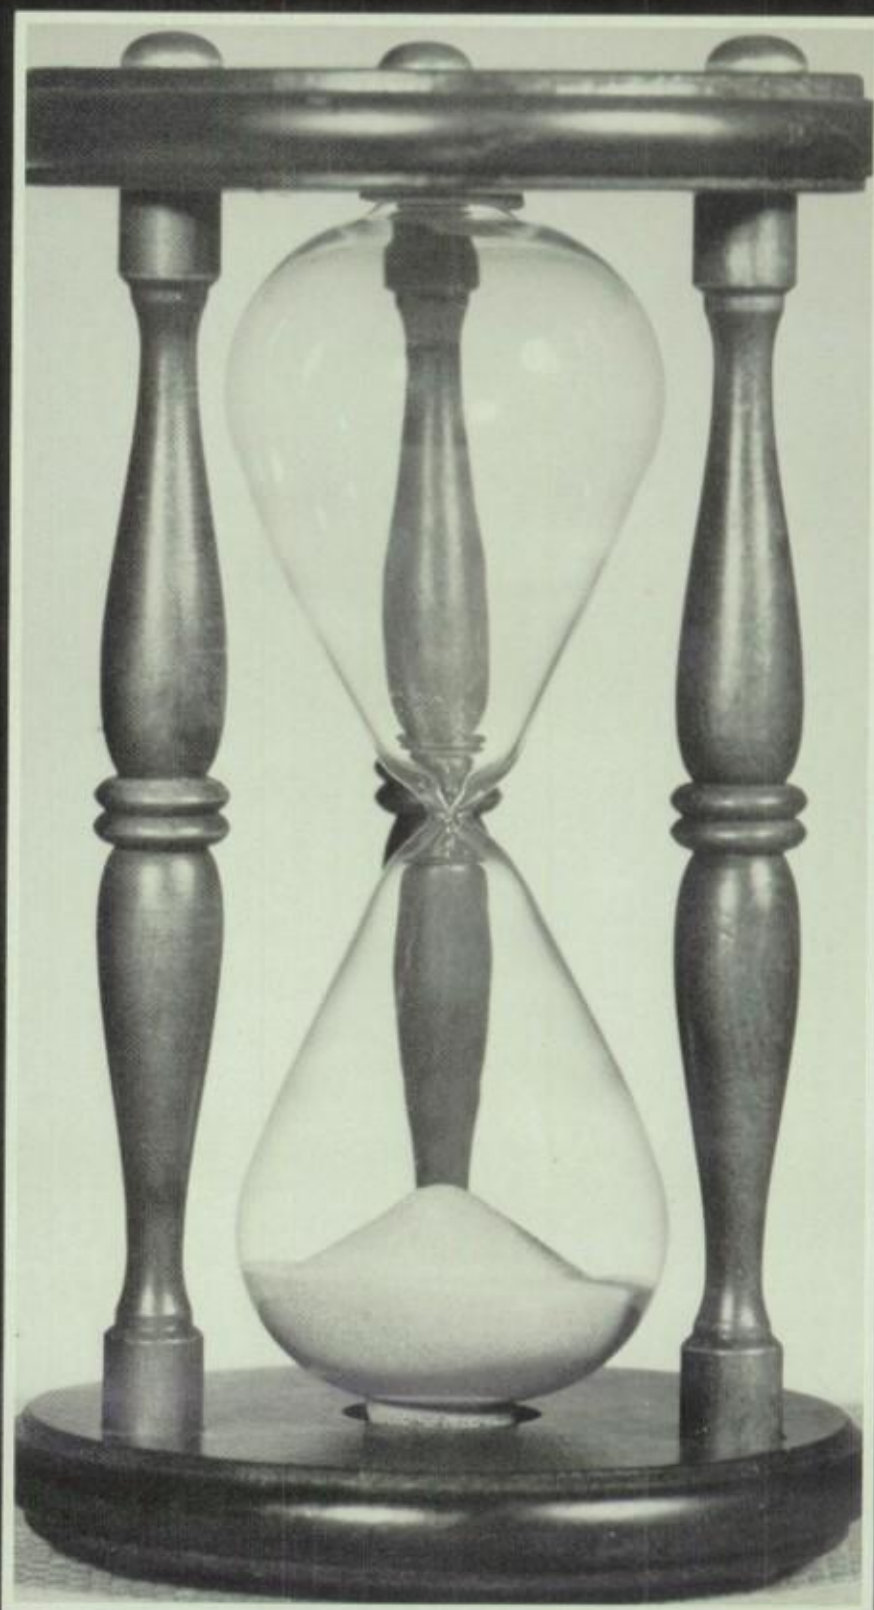

Photographs and Memories . . .

We sure had a good time
When we started way back when . . .

How many memories have we all shared?
How much time have we spent together?
What more did we need? Well, maybe just
a few more moments because there . . .

Never seems to be
enough time to do
the things you want
to do once you find
them.
